

How-to Guide for Tote Bag

<p>Cut a piece of cloth in a large square.</p> <p>Example size 46" long each side</p>		
<p>Fold square into a triangle.</p>		
<p>Tie a knot in cloth, 10-12" from point of triangle.</p>		

Repeat knot for opposite corner.

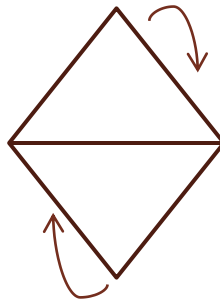

Open triangle and flip over to back.

Fold each knotted end to middle.

Take the unknotted triangle points and knot together.

Push down inside bag to create tote bag shape.

Final tote bag.
